Die Dachziegel können mit handelsüblichen gelben und braunen Farbstiften (liegen nicht bei) zur feineren Gestaltung bemalt werden. Die zu colorierenden Ziegel sind optisch durch eine Hochglanzpolierung sichtbar. Drehen Sie die Dachteile im Licht leicht hin und her, bis das Muster erscheint. Beginnen Sie das Bemalen, der Skizze entsprechend, mit der braunen Farbe, danach mit dem gelben Stift. Am leichtesten geht das Bemalen am unmontierten Spritzteil. Die Turmsegmente werden nur mit Gelb bemalt.

It is possible to colour the roof tiles using commercially available yellow and brown pencils (not supplied) to create a more appealing design. The tiles to be coloured are visible by their high mirror polish. Turn the roof parts exposed to light back and fourth until the pattern appears. Start painting as shown in the drawing with the brown pencil and then with the yellow pencil. Painting the unassembled moulded part is most convenient. Paint the tower segments with the yellow pencil only.

On peut colorier les tuiles avec des crayons de couleur jaunes et bruns du commerce (non fournis) pour assurer une décoration plus attrayante. Les tuiles à colorer sont rendues optiquement visibles par un poli spéculaire. Tournez les parties de toit légèrement en va et vient jusqu'à ce que le dessin apparait. Commencez la coloration en fonction du dessin avec le crayon à couleur brun, ensuite avec le crayon jaune. Le plus facile est de réaliser la coloration sur la pièce moulée par injection non montée. Les segments de tour ne seront peints qu'avec le jaune.

Om een nog mooier effect te krijgen kunnen de dakpannen kunnen met behulp van gele en bruine viltstiften (niet bijgesloten) worden bewerkt. De te kleuren dakpannen zijn aan hun glans te herkennen. Als de dakdelen een beetje in het licht worden bewogen, wordt het patroon zichtbaar. Schilder eerst de dakpannen die bruin moeten worden zoals aangegeven in het schema en schilder daarna de gele pannen. Schilder het dakdeel voordat u het vastlijmt. De torensegmenten worden alleen met geel beschilderd.
